## Montana Motorcycle Safety Education Program (MMSEP)

# Do you have the skill to survive when. . .

- ***A car suddenly pulls out or turns left in front of you?***
- ***You must stop in the shortest possible distance?***
- ***You must brake in a turn?***
- ***You are faced with a complicated swerving maneuver?***

If you're not sure you could handle these situations successfully, check out the *Montana Motorcycle Safety Education Program's* rider courses.

**Call (406) 444-4569 for information on courses near you.**

## MOTORCYCLE RIDER COURSE: RIDING AND STREET SKILLS (basic)

***Even if you've never been on a motorcycle before, or if you've ridden for a year or more, this training will give you basic skills and defensive riding tactics that could take years to pick up on your own.***

- You get 20 hours of instruction (12 hours on the cycle) from veteran instructors certified and trained to Motorcycle Safety Foundation (MSF) standards.
- We provide the motorcycles!
- Riders completing the course are more successful in passing the Montana motorcycle license test.
- After completing the course, you are eligible for insurance discounts.

*You must be at least 15 years old and possess a valid Montana driver license to enroll. Students furnish their own protective clothing.*

**Call (406) 444-4569 for information on courses near you.**

# EXPERIENCED RIDERS COURSE

***Polish and test your riding skills on your own motorcycle. Find out if you can handle your bike as well as you think you can.***

- You get 8 hours of intensive training (4 hours on the cycle) from Motorcycle Safety Foundation (MSF) certified instructors.
- Skills covered include emergency braking, countersteering and balancing, cornering, and much more, plus discussions about riding technique and motorcycle dynamics.
- And you'll find out how to identify hazards before they cause an accident!
- Your motorcycle must meet state equipment requirements.

*Students furnish their own street-legal motorcycle, helmet and protective clothing, and must possess a valid driver license with a motorcycle endorsement.*

**Call (406) 444-4569 for information on courses near you.**

**Life is more FUN on a motorcycle!**

*You Deserve the Ride of your Life!*

If you would like more information on course locations, schedules and registration, please complete the form below and mail to [or call (406) 444-4569]:

I am interested in:

☐ Rider Skills Training (20 hours) (MRC:RSS)

☐ Advanced Skills Training (8 hours) (ERC)

These courses are sponsored by the Montana Motorcycle Safety Education Program which is funded through motorcycle registration fees. The program, administered by the Montana Office of Public Instruction , supports the improvement of rider education, and increased public awareness of motorcycle safety.
